

CURRICULUM VITAE

Jeni Hebert-Beirne, PhD, MPH
1603 West Taylor Chicago, IL 60612
312.355.0887
jheber1@uic.edu

Education

- 2000-2008** **University of Illinois at Chicago**, School of Public Health Community Health Sciences Chicago, IL
Doctor of Philosophy (PhD) in Public Health, Maternal and Child Health
Dissertation Title: *Adolescent Mothers' Perspectives of the Urban Safety Net System: the Role of Identity, Trust and Place*
- Recipient, **2008 Alan W. Donaldson Award**, honoring one student annually for academic excellence, leadership and community service
- 1992-1995** **University of Illinois at Chicago**, School of Public Health Community Health Sciences Chicago, IL
Master's in Public Health (MPH)
Dual Concentration: Maternal and Child Health, and Health Education and Health Promotion
- Public Health Student Association Officer
- 1987-1991** **Boston College**, College of Arts and Sciences Chestnut Hill, MA
Bachelor of Arts (BA), Sociology/ Sociology Honors Program
- Alpha Kappa Delta, Sociology Honors Society

Academic Professional Experience

University of Illinois at Chicago, School of Public Health, Community Health Sciences Chicago, IL

Academic Appointments

- 2022 – present** Associate Professor (Tenure)
Community Health Sciences
2023 Chicago United for Equity Fellow
2023 Mayor Brandon Johnson Transition Team Health and Human Services
- 2021 – 2022** Associate Professor (Tenure)
Associate Dean for Community Engagement
Director, Collaboratory for Health Justice
Radical Public Health Faculty Chair
- 2019 – 2021** Associate Professor (Tenure)
Interim Associate Dean for Community Engagement
Interim Director and Founder, Collaboratory for Health Justice
Radical Public Health Faculty Chair (2013-2022)
- 2013 – 2018** Assistant Professor (Tenure Track)
- 2010 - 2013** Clinical Assistant Professor (Non Tenure Track)
- 2009 – 2010** Adjunct Assistant Professor

Affiliate Appointments

- 2014 - present** Department of Psychology, Community & Prevention Research Faculty
- 2013 - 2017** Doctorate in Public Health (DrPH) Faculty
- 2012-2014** University of Illinois, College of Medicine, Urban Medicine (UMED) Program Faculty

Fellowships and Advisory Roles

- 2023 Chicago United for Equity Fellowship, one of 15 Chicago leaders across identities, neighborhoods, and sectors to engage in a reflective learning nine-month Fellowship program to learn how to leverage roles in Chicago's civic ecosystem, and develop new practices and leadership skills
- As a CUE Fellow, selected to support equity in the Mayoral Transition Team, Mayor Brandon Johnson
- 2023 Science Advisory Board Community Driven Air Quality and Environmental Justice Assessment a grant funded by the Congressionally Directed Spending Funds under the FY 2023 Appropriations Bill
- 2023 HOPE Community of Practice (COP) National Collaborative for Health Equity

2023 Office of the Vice Chancellor for Student Affairs Faculty Fellow
2019 UIC Institute for Policy and Civic Engagement (IPCE) community-based public discourse on policy issues.
2016 UIC Institute for Research on Race and Public Policy (IRRPP) Social and Policy Engagement Fellow
2014 UIC Institute for Research on Race and Public Policy (IRRPP) Grant Scholar. Little Village Participatory Community Health Assessment.
2012 UIC Institute for Policy and Civic Engagement (IPCE) Public Discourse Scholar
2011 UIC Institute for Policy and Civic Engagement (IPCE) Public Discourse Scholar

Awards

Teaching Awards

2021 UIC Teaching Excellence Award
2021 Delta Omega Innovative Curriculum Award, in collaboration with Dolores Castañeda for CHCS 584 Community Organizing/ Community-based Participatory Research
2015-2016 UIC Teaching Recognition Program (TRP) Award (competitive peer review)
2013-2014 Bernard Baum Golden Apple Award Winner for Excellence in Teaching (one faculty /year)
2011-2012 Bernard Baum Golden Apple Award Winner for Excellence in Teaching (one faculty /year)
2010-2011 Bernard Baum Golden Apple Award Winner for Excellence in Teaching (one faculty/year)

Research Awards

2023 UIC Community Engagement Award
2023 UIC SPH 2023 SPH Research Day Multidisciplinary Collaboration Award Winner Bonney, T., Rospenda, K., Conroy, L., Forst, L., Castaneda, Y., Castaneda D., Holloway, A., Avelar, S., Hebert-Beirne, J. Employment Precarity and Increased Risk of Hazardous Occupational Exposures Among Residents of High Socioeconomic Hardship Neighborhoods. *Annals of Work Exposures and Health*. 2022; 66(9), 1122–1135. <https://doi.org/10.1093/annweh/wxac062>.
2022 UIC SPH Research and Practice Day Outstanding Poster, Sandra Avelar Greater Lawndale Lotería: An evidence- informed, historically grounded and worker justice themed card game to promote awareness of precarious work at the neighborhood level (Master's student award)
2019 Lambda Chapter of Delta Omega, the national public health honor society
2018 University of Illinois Economic Development & Innovation, International Travel Award
2017 Abstract of Distinction Award. Brady, S. S., Bavendam, T., Berry, A., Fok, C. S., Gahagan, S., Goode, P. S., Hardacker, C. T., Harlow, B. L., Hebert-Beirne, J., Lewis, C. E., Lewis, J. B., Kane Low, L., Lowder, J. L., Lukacz, E. S., & Palmer, M. *The Prevention of Lower Urinary Tract Symptoms (PLUS) in girls and women: Developing a prevention research agenda and conceptual framework*. Society for Prevention Research, Washington, D.C.
2016 Institute for Research on Race and Public Policy (IRRPP) Social and Policy Engagement Fellow.
2014 Chicago Consortium for Community Engagement, Building Health Equity throughout Chicago through Community Engaged Research Conference, Poster Competition Steve Whitman Award for Excellence.
2014 Institute for Research on Race and Public Policy (IRRPP) Grant Scholar. Little Village Participatory Community Health Assessment.
2011 Aetna Susan B. Anthony Award for Excellence in Research on Older Women and Public Health, American Public Health Association.
2007 Lynda Birklebach Award University of Illinois Chicago Scholarship Association, Scholarship Award
2004 Health Promotion Practice "Best Practice Paper of the Year" Award from Society for Public Health Education (SOPHE)

Featured Researcher

2023 Chicago Consortium for Community Engagement (C3) Conference Featured Researcher
2019 Chicago Department of Public Health, Healthy Chicago 2025
2018 Institute for Research on Race and Public Policy Annual Report. Featured Researcher
2015 and 2013 University of Illinois at Chicago Healthy City Collaborative. Featured Researcher

Practice and Service Awards

2022 Southeast Environmental Task Force (SETF) Recognition of Service 2007 Award of Appreciation for Engaged Scholarship. Family Learning Center, Dr. Pedro Albizu Campos Puerto Rican High School. (Dissertation research)

2021 Association of Schools and Programs of Public Health (ASPPH) Academic Practice Excellence Award

2016 Midwest Minority Health Symposium Health Equity Champion Award

2016 SPH Distinguished Alumni Achievement Award (the highest UIC Alumni Association honor)

2009 and 2010 Community Partnership Award, Pedro Albizu Campos Puerto Rican High School

2008 Alan W. Donaldson Award, honoring one student annually for academic excellence, leadership and community service

Current Funded Research Leadership Highlights

2023-2024 Principal Investigator. SPH SEED/ CACHET Pilot Program Funding. Environmental Justice Scholar Program for CACHET Community Engagement Corps

2023-2024 Principal Investigator. UIC Faculty Fellows. Life Scholars Photovoice Study.

2023-2028 Co-Investigator. Environmental Protection Agency (EPA) Environmental Justice (EJ) Training Grant. Blacks in Green-led five-year EJ technical assistant role for Region V. (PI: Erdal)

2021-2024 Principal Investigator (PI). MacArthur Foundation. Strengthening the Public Health Infrastructure for Chicago Communities. Two complementary efforts to build capacity at the neighborhood level by (a) building research leadership of Chicago youth, and (b) repositioning academic knowledge to directly support CBOs to lead healing, rebuilding public health efforts: Reciprocal Technical Assistance with CBO Partners toward a More Responsive Local Public Health System & Youth Citizen Science Program

2020-2024 Principal Investigator. "COVID-19 Response Contact Tracing Resource Coordination" As part of the Chicago Cook Workforce Partnership, funding from the CDC's Epidemiology and Laboratory Capacity for Infectious Diseases (ELC) Grant and the Illinois Department of Public Health Contact Tracing Grant to support community-based organizations with implementing contact tracing programs.

2017-2025 Site-Principal Investigator, Prevention of Lower Urinary Symptoms, Sexual Gender Minority Focus Group Study. National Institutes of Health (NIH), National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK), Sexual Gender Minority Research Office (SGMRO), Office of Research on Women's Health (ORWH), Office of Behavioral and Social Science Research (OBSSR).

2017-2026 Principal Investigator (PI) Community Engagement Core lead. NIH National Institute of Environmental Health Sciences (NIEHS) Community Engagement Core (CEC) Chicago Center for Health and Environment (CACHET).

2016-2026 Principal Investigator (PI), Centers for Disease Control and Prevention (CDC) National Institute for Occupational Safety and Health (NIOSH), Total Worker Health UIC Center for Healthy Work. The Greater Lawndale Healthy Work Project

NIOSH
Illinois Occupational Health Surveillance Program 2
This work fosters the integration of occupational public health into broader public health goals including: identification of numbers, rates, trends, costs, emerging issues, and high risk workplaces and workers; hypothesis testing that clarifies population risks and health outcomes; dissemination and use of these data for interventions to prevent illness and injury among working populations and communities.
Role: Co-Investigator

T42/OH008672 (PI: Hebert-Beirne)
07/01/16-06/30/16
National Institute for Occupational Safety and Health
The University of Illinois at Chicago Occupational and Environmental Health and Safety Education and Research Center
(Illinois ERC)
This effort adds a concept mapping component to an ongoing community-based participatory research effort to develop a
Conceptual Model of how work impacts health as perceived by low income, precarious workers.

IRRPP-1 (PI: Hebert-Beirne)
07/01/16 – 06/30/17
University of Illinois at Chicago
Institute for Research on Race and Public Policy
Policy and Social Engagement Fellow
The goal of this project is to produce community-level dissemination products for the ongoing LVCHA

2015-01555 (PI: Hebert-Beirne)
06/10/14 to 06/15/16
Chicago Community Trust
Bringing Communities into the Culture of Coverage
This project aims to address the continued need for outreach and enrollment in health insurance by Chicago residents by leveraging
progress made in two distinct Chicago neighborhoods doing outreach and education toward building health literacy to increase
enrollment and effective utilization of health care services.

IRRPP-1 (PI: Hebert-Beirne)
07/01/14 – 06/30/15
University of Illinois at Chicago
Institute for Research on Race and Public Policy
The goal of this project is to explore measurement of discrimination and oppression in Little Village, IL.

HRSA (PI: Fagen/Welter)
09/01/11 – 08/31/15
Health Research and Services Administration, MidAmerica Public Health Training Center (MAPHTC)
As part of MCPHP, the MAPHTC is a project that builds public health system capacity through assessment, training and workforce
development activities for the Illinois public health workforce.
Role: Co-Investigator

CCT (PI: Hebert-Beirne)
08/01/13 – 10/01/14
Chicago Community Trust
Process Evaluation of Health Impact Assessment of Little Village and Pilsen, Chicago, IL

IPCE-1 (PI: Hebert-Beirne)
10/01/12 – 05/01/13
University of Illinois at Chicago, Institute for Policy and Civic Engagement
The goal of this project was to facilitate community-based public discourse on community health assessment findings.

IPCE-1 (PI: Hebert-Beirne)
02/01/11 – 06/30/11
University of Illinois at Chicago, Institute for Policy and Civic Engagement
Cultivating Leaders in Community Building
The goal of this project was to facilitate community-based public discourse on policy issues.

CPPW (PI: Mermelstein)
02/01/11 – 08/15/11
University of Illinois at Chicago
Chicago Putting Prevention to Work grant
Qualitative data methods and analysis for Chicago tobacco prevention programs.
Role: Co-I
