SCHOOL OF PUBLIC HEALTH
BUILDING ACCESS

Students are permitted to access SPH buildings during evenings and weekends by using the building i-card readers. Students must have a UIC photo ID (i-card) to do this. You may register for this service by completing the bottom portion of this sheet and returning it to Linda Johnson in the Office of Student Affairs, Room 179, SPHPI (1603 W Taylor).

Access will be valid for the academic year. Access is granted only for the SPHPI building and is limited to between the hours of 7am to 9pm, seven days per week. Access is a privilege, not a right, and can be revoked by the administration.

If you do not have a UIC photo ID (i-card) you may acquire one by taking your confirmed course schedule to the Satellite ID Center in Room 241 of Student Center West. For more information on obtaining your UIC i-card visit: http://idcenter.uic.edu/

Please print legibly
