

JULIE MASLOWSKY

1603 W. Taylor St.
652 SPHPI, MC 923
Chicago, IL 60612
312-413-3225

jmaslow@uic.edu

ORCID: <https://orcid.org/0000-0001-5095-7140>

EDUCATION

University of Michigan, Ann Arbor, Michigan

PhD, Developmental Psychology, 2012

MA, Developmental Psychology, 2008

MSW, Social Work, 2005

Northwestern University, Evanston, Illinois

BS, Human Development and Psychological Services, 2004
Magna cum Laude

ACADEMIC POSITIONS

- 2021- Associate Professor (with tenure) of Community Health Sciences
University of Illinois at Chicago
- 2021- Core Faculty, Center of Excellence on Maternal and Child Health
University of Illinois at Chicago
- 2020-2021 Associate Professor (with tenure) of Health Behavior and Health Education
Department of Kinesiology and Health Education
University of Texas at Austin
- 2020-2021 Associate Professor of Population Health
Department of Population Health, Dell Medical School
University of Texas at Austin
- 2018-2020 Assistant Professor of Population Health
Department of Population Health, Dell Medical School
University of Texas at Austin
- 2014-2020 Assistant Professor of Health Behavior and Health Education
Department of Kinesiology and Health Education
University of Texas at Austin
- 2014-2021 Faculty Research Associate, Population Research Center
University of Texas at Austin

2012-2014 Postdoctoral Fellow in Population Health
Robert Wood Johnson Foundation Health & Society Scholars
University of Wisconsin, Madison

HONORS AND AWARDS

2020-2021 Joe R. & Teresa Lozano Long Endowed Faculty Fellow, UT College of Education
2018-2020 Judy Spence Tate Endowed Faculty Fellow, UT College of Education
2016 Robert Wood Johnson Foundation Leadership Development Program in Population Health Science
2015 NIH Loan Repayment Award Renewal, Health Disparities Track
2013 NIH Loan Repayment Award, Health Disparities Track
2012 Best Dissertation Award, University of Michigan Department of Psychology
2011 Fellow, NIMH Family Research Consortium Summer Institute
2010 Community of Scholars Award, UM Institute for Research on Women & Gender
2009 Scholars Award, PEO International, for outstanding early career female scholar
2009 Barbara Perry Roberson Research Support Award, UM Dept. of Psychology
2009 Margaret Ayers Host Research Support Award, UM Rackham Graduate School
2008 Compassion in Action Award, presented by His Holiness the Dalai Lama
2004 University of Michigan School of Social Work Merit Scholarship
2003 Northwestern University Upton Memorial Merit Scholarship
2003 Northwestern University J.G. Nolan Memorial Merit Scholarship
2000 National Merit Scholarship- Northwestern University

RESEARCH FUNDING

Current

Title: Preventing unintended repeat births to Hispanic adolescents
Agency and program/mechanism: William T. Grant Foundation, Scholars Award
Role: Principal Investigator
Duration: 7/1/2017-6/30/2023
Total award amount (direct costs): \$350,000

Title: Amplifying the Voices of Marginalized Adolescents on the Perceived Impact of a Post-Roe Landscape: A Mixed Methods Study
Agency and program/mechanism: Society of Family Planning, Inequities in Abortion Access Grant
Role: Co-Investigator (PI: Bianca Alison)

Title: Impact of metals on biological aging and cardiometabolic traits in adolescents.
Agency and program/mechanism: NIEHS R01ES033883
Role: Co-Investigator (PI: Maria Argos)

Under review

Title: Development of a digital decision support tool to facilitate developmentally appropriate adolescent contraceptive counseling in primary care
Agency and program/mechanism: NICHD, R21
Scored 6th percentile, awaiting council review
Role: Principal Investigator

Title: Research Roadmap on Policy-Ready Research for Youth Abortion Access

Agency and program/mechanism: William T. Grant Foundation, Officer's Research Grant
Role: Principal Investigator

Completed

Title: Demography, health, and contraceptive use of repeat teenage mothers
Agency and program/mechanism: NICHD, K01 Career Development Grant, 1K01HD091416-01
Role: Principal Investigator
Duration: 7/1/2017-6/30/2022
Total award amount (direct costs): \$651,290

Title: Single parent families and young adolescents' substance use
Agency and program/mechanism: NIDA, R03, R03DA046046
Role: Co-Investigator
PI: Robert Crosnoe, UT Austin
Duration: 2/15/2019-1/31/2021
Total award amount (direct costs): \$144,642

Title: Neurodevelopmental pathways in adolescent health risk behavior
Agency and program/mechanism: NICHD, R01, R01HD075806-01A1
Role: Co-Investigator
PI: Daniel Keating, University of Michigan
Duration: 6/1/2014-5/31/2020
Total award amount (direct costs): \$5,209,084

Title: Suicidal trajectories from early adolescence to young adulthood in a national sample
Agency and program/mechanism: NIMH, R03, 1R03MH112015-01A1
Role: Co-Investigator
PI: Susan DeLuca, UT Austin
Duration: 5/1/2017-3/31/2019
Total award amount (direct costs): \$156,500

Title: Preventing substance use and abuse in Wisconsin high school students: Universal school-based implementation of Screening, Brief Intervention, and Referral to Treatment (SBIRT)
Agency and program/mechanism: University of Wisconsin School of Medicine and Public Health: Wisconsin Partnership Program
Role: Co-Investigator
PI: Richard Brown, University of Wisconsin Madison
Duration: 7/1/2014-3/30/2018
Total award amount (direct costs): \$400,000

Title: Promoting sleep to prevent substance use in adolescence
Agency and program/mechanism: NIDA, R34, R34DA035349
Role: Consultant
PI: Emily Ozer and Alison Harvey, University of California Berkeley
Duration: 5/1/2013-4/30/2017
Total award amount (direct costs): \$450,000

Title: The role of sleep in the emergence of substance use disparities in early adulthood
Agency and program/mechanism: Robert Wood Johnson Foundation
Role: Principal Investigator
Duration: 09/01/2013-08/31/2014

Total award amount (direct costs): \$10,325

Title: The role of sleep in adolescent and young adult mental health and substance use

Agency and program/mechanism: Robert Wood Johnson Foundation

Role: Principal Investigator

Duration: 09/01/2012-08/31/2013

Total award amount (direct costs): \$11,629

Title: Substance use by African-American youth: Spanning two complementary datasets

Agency and program/mechanism: NIDA, F31, F31 DA029335

Role: Principal Investigator

Duration: 06/01/2010-07/31/2012

Total award amount (direct costs): \$84,231

Title: Multidisciplinary alcoholism research training program

Agency and program/mechanism: NIAAA, F31, T32 AA007277

Role: Predoctoral fellow

Duration: 09/01/2006-08/31/2008

Total award amount (direct costs): \$70,000

Internal Funding Awards, University of Texas at Austin:

2020	Small Grant, College of Education, \$9,567
2020	Research and Creative Grant, Office of the Vice President for Research, \$10,000
2018	Graduate Education Enrichment Fund, Graduate School, \$1,000
2017	Graduate Education Enrichment Fund, Graduate School, \$1,200
2016	Graduate Education Enrichment Fund, Graduate School, \$1,600
2016	Summer Research Assignment, College of Education, \$23,000
2016	Graduate Mentor Award, Graduate School, \$40,000 (declined)
2016	Mentee, Curriculum Innovation Grant: Transforming Peer Observation: Promoting Teaching and Learning through Collaborative Reflection and Mentoring, \$2,000
2015	Seed Grant funding, Population Research Center, \$4,000
2015	Summer Proposal Development Workshop, Population Research Center, \$10,000

PRESENTATIONS

Invited Presentations

Maslowsky, J. (2022, March). Toward developmentally appropriate, inclusive, reproductively just contraceptive counseling for adolescents. Section on Adolescent Medicine, University of Illinois Chicago College of Medicine.

Maslowsky, J. (2022, February). *Opportunities for sexual and reproductive health promotion in adolescence*. Merrill Palmer Skillman Institute, Wayne State University.

Maslowsky, J. (2020, November). *Adolescence: A critical and underutilized period for population health promotion*. School of Public Health, Emory University.

Maslowsky, J. (2020, June). *Adolescence: A critical and underutilized period for population health promotion*. Bloomberg School of Public Health, Johns Hopkins University.

Maslowsky, J. (2020, February). *Family planning among teenage mothers*. Council on Contemporary Families. Austin, TX.

Maslowsky, J. (2019, November). *Adolescence: A critical and underutilized period for population health promotion*. School of Nursing, University of Michigan, Ann Arbor.

Maslowsky, J. (2018, December). *US repeat teen mothers: Demographic and health characteristics, trends, and geographic clustering*. Mailman School of Public Health, Columbia University.

Maslowsky, J. (2018, April). *Health characteristics and birth outcomes of repeat teen mothers*. Department of Obstetrics and Gynecology, University of Colorado Denver.

Maslowsky, J. (2017, October). *Advice for obtaining early career grant funding*. Annual meeting of the International Association for Population Health Science. Austin, TX.

Maslowsky, J. (2016, October). *Adolescent health risk behavior: Population to policy*. University of Michigan Center for Human Growth and Development. Ann Arbor, MI.

Maslowsky, J. (2016, April). *Immediate postpartum LARC as a strategy for reducing repeat teenage pregnancy in Texas*. Texas Campaign to Prevent Teen Pregnancy Annual Symposium, Austin, TX.

Maslowsky, J. (2015, November). *Characterizing and preventing repeat teen births*. Texas Policy Evaluation Project symposium on Growing Reproductive Health Research in Texas. Austin, TX.

Maslowsky, J. (2015, October). *Just one wish for the study of human development*. Plenary panel at Society for the Study of Human Development, Austin, TX.

Maslowsky, J. (2014, September). *Using secondary data to answer developmental questions*. Plenary panel at Society for Research on Child Development Themed Meeting on Developmental Methodology. San Diego, CA.

Chaired Symposia

Maslowsky, J., Chair. (2019, October). *Health behavior through a population health lens: Disparities, measurement, and opportunities for improvement*. Interdisciplinary Association for Population Health Science. Seattle, WA.

Maslowsky, J., Chair. (2018, April). *Long-term maternal and child achievement and economic outcomes after teenage childbearing: Evidence from three national studies*. Society for Research on Adolescence. Minneapolis, MN.

Maslowsky, J., Chair. (2017, October). *From evidence-based to widespread implementation: The case of substance use Screening, Brief Intervention, and Referral to Treatment (SBIRT)*. Interdisciplinary Association for Population Health Science, Austin, TX.

Maslowsky, J., Chair. (2016, September). *Adolescence: A critical life period for promoting population health*. Interdisciplinary Association for Population Health Science, State College, PA.

Maslowsky, J., Chair. (2015, March). *Predictors and consequences of declining adolescent sleep duration: Physiological, psychological, and historical perspectives*. Society for Research on Child Development, Philadelphia, PA.

Maslowsky, J., Chair. (2014, March). *Longitudinal perspectives on effects of adolescent HPA axis function on mental health and substance use*. Society for Research on Adolescence. Austin, TX.

Maslowsky, J., Chair. (2012, March). *Epidemiology meets etiology: Integrating diverse datasets to gain new insights into adolescent substance use and psychopathology*. Society for Research on Adolescence, Vancouver, British Columbia, Canada.

Maslowsky, J. & Schulenberg, J., Chairs. (2010, March) *Why do risk behaviors increase during adolescence? New studies on individual and developmental mechanisms*. Society for Research on Adolescence, Philadelphia, Pennsylvania.

Oral Presentations

*indicates mentored student co-author

Maslowsky, J. (2022, July). The role of reproductive justice in reducing inequality among children and youth. William T. Grant Foundation Scholars Annual Meeting. Santa Fe, NM.

Madison, A., Goyal, V., Powers, D., & **Maslowsky, J.** (2022, May). Association between publicly-funded contraceptive services and abortion rate in Texas. American College of Obstetricians and Gynecologists Annual Clinical and Scientific Meeting. San Diego, CA.

Maslowsky, J. (2020, October). *Considerations for providing developmentally appropriate contraceptive counseling to adolescents*. Society of Family Planning. Virtual meeting.

Maslowsky, J. (2020, April). *Developmentally appropriate contraceptive counseling for adolescents*. Psychosocial Workshop at the Population Association of America. Washington, DC. (conference canceled).

Maslowsky, J., Stritzel, H. (2020, March). *Health behaviors and prenatal health conditions in repeat versus first time teenage mothers*. Society for Research on Adolescence, San Diego, CA. (conference canceled).

Maslowsky, J. (2019, June). *Postpartum long-acting reversible contraceptives in adolescents: A tool for economic mobility or a threat to reproductive justice?* William T. Grant Scholars Annual Meeting. San Juan, PR.

Maslowsky, J. (2019, April). *Repeat teen mothers' health behaviors, health during pregnancy, and birth outcomes*. Psychosocial Workshop at Population Association of America. Austin, TX.

Maslowsky, J. & Bearman, S. K. (2019, April). *Whole Communities – Whole Health: A participatory team science cohort model*. Society for Research on Child Development. Baltimore, MD.

Maslowsky, J., & Barrientos, T. (2019, March). *Embarazo subsecuente en adolescentes: Mexico y Texas (Subsequent pregnancy in adolescents: Mexico and Texas)*. Congreso de investigación en salud pública (National Public Health Research Congress). Cuernavaca, Mexico.

Maslowsky, J. Powers, D., Hendrick, C. E., & Al-Hamoodah, L. (2018, November). *County-level clustering of first versus repeat teen births in the United States, 2008-2016*. American Public Health Association. San Diego, CA.

Maslowsky, J. (2018, October). *Geographic clustering and correlates of repeat teen childbearing in the United States, 2008-2016*. Interdisciplinary Association for Population Health Science, Washington, DC.

Maslowsky, J. (2018, April). *Characteristics and long-term outcomes of repeat versus first time teenage mothers*. Psychosocial Workshop at Population Association of America. Denver, CO.

*Owotomo, O. & **Maslowsky, J.** (2018, April). *Assessing risk of cannabis dependence among adolescent dual marijuana and e-cigarette users*. American Society of Addiction Medicine. San Diego, CA.

*Hendrick, C.E., & **Maslowsky, J.** (2018, April). *Teen mothers' educational attainment and their children's risk for 2nd generation teenage childbearing*. Society for Research on Adolescence. Minneapolis, MN.

Maslowsky, J. & *Cone, J. (2018, April). *Long term educational and economic outcomes among repeat versus one-time teenage mothers*. Society for Research on Adolescence. Minneapolis, MN.

Maslowsky, J., Capell, J. W., Moberg, D. P., & Brown, R. L. (presenting author). (2017, September). *A dissemination model for delivering alcohol and drug screening and brief intervention in high schools*. Inebria Conference, New York, NY.

Maslowsky, J., Whelan-Cappell, J., Moberg, D. P., & Brown, R. L. (2017, October). *Universal school-based implementation of Screening Brief Intervention and Referral to Treatment to reduce and prevent alcohol, marijuana, and other drug use*. Interdisciplinary Association for Population Health Science, Austin, TX.

Ozer, E. J., Harvey, A., **Maslowsky, J.,** Westbrook, M., Gaarde, J., Hoyt, L., Deardorff, J., Gorham, T. (2017, June). *Collaborative processes in diverse urban schools: Integrating sleep science interventions in health classes*. Society for Community Research and Action, Ottawa, Canada.

*Owotomo, O., **Maslowsky, J.** (2016, October). *Tobacco-related perceptions and behaviors predicting adolescents' intent to initiate cigarette smoking*. American Academy of Pediatrics, San Francisco, CA.

Maslowsky, J. (2016, September). *Not just risk for risk's sake: Planning and risk/benefit assessment in adolescent health risk behavior*. Interdisciplinary Association for Population Health Science. State College, PA.

*Hendrick, C. E. & **Maslowsky, J.** (2016, September). *Adolescent mothers' educational attainment as a pathway to reducing the risk of 2nd generation teenage pregnancy and childbearing*. Interdisciplinary Association for Population Health Science. State College, PA.

*Owotomo, O. & **Maslowsky, J.** (2016, May). *Perceived susceptibility to nicotine addiction as a predictor of e-cigarette use*. The Addicted Brain and New Treatment Frontiers: Sixth Annual Aspen Brain Forum Hosted by the New York Academy of Medicine, New York, NY.

Maslowsky, J. & *Owotomo, O. (2016, March). *The role of adolescent and young adult sleep in the development of chronic disease: A national, longitudinal US study*. Society for Research on Adolescence, Baltimore, MD.

Lehrer, H.M., **Maslowsky, J.**, Dubois, S.K., Laudenslager, M.L., & Steinhardt, M.A. (2016, March) *Cortisol in hair predicts type 2 diabetes status in African-American adults*. 74th Annual Meeting of the American Psychosomatic Society. March 2016. Denver, CO.

Maslowsky, J. (2015, March). *Developmental trajectories of sleep from adolescence to emerging adulthood: Associations with depression*. Society for Research on Child Development, Philadelphia, PA.

Maslowsky, J. & Schulenberg, J. (2014, March). *Developmental specificity of mental health problems as risks for adolescent substance use*. Society for Research on Adolescence, Austin, TX.

Maslowsky, J., Ruttle, P., Armstrong, J., & Essex, M. (2014, March). *Reciprocal relations of diurnal cortisol slope and alcohol use across adolescence: A seven-year prospective study*. Society for Research on Adolescence, Austin, TX.

Maslowsky, J. & Ozer, E. (2013, November). *Normative sleep duration in adolescence and young adulthood: National data from the Add Health study*. American Public Health Association, Boston, MA.

Maslowsky, J. (2013, September). *Influence of conduct problems and depressive symptoms on adolescent alcohol, marijuana, and cigarette use*. Society for Longitudinal and Lifecourse Studies, Amsterdam, The Netherlands.

Maslowsky, J. (2013, September). *Longitudinal associations of sleep quantity and depressive symptoms from adolescence through young adulthood in a US national sample*. Society for Longitudinal and Lifecourse Studies, Amsterdam, The Netherlands.

Maslowsky, J., Schulenberg, J., & Zucker, R. (2013, May). *Proximity versus early emergence: Longitudinal effects of mental health problems on adolescent substance use in a national sample*. Society for Prevention Research. San Francisco, CA.

Maslowsky, J., & Ozer, E. (2013, May). *Longitudinal associations of sleep quantity and depressive symptoms from adolescence through young adulthood*. Society for Prevention Research, San Francisco, CA.

Maslowsky, J., Schulenberg, J., Chiodo, L., Hannigan, J., Greenwald, M., Janisse, J., Sokol, R., & Delaney-Black, V. (2013, April). *Parental support, mental health, and substance use in national and high-risk African American adolescent samples*. Society for Research on Child Development. Seattle, WA.

Maslowsky, J. (2012, June). *El Proyecto Quito: Un modelo de trabajo colaborativo e interdisciplinario en la salud global (The Quito Project: A model for collaborative, interdisciplinary work in global health)*. Salud y Equidad en América Latina: eSalud para enfermedades crónicas no-transmisibles (Health and equity in Latin America: Ehealth for chronic diseases). Quito, Ecuador.

Maslowsky, J., Schulenberg, J., Chiodo, L., Hannigan, J., Greenwald, M., Janisse, J., Sokol, R., & Delaney-Black, V. (2012, March). *Improved mental health mediates parent support's protective effect on black adolescents' alcohol use: An integrative analysis*. Society for Research on Adolescence, Vancouver, British Columbia, Canada.

Maslowsky, J., Valsangkar, B., Chung, J., Knoester, J., Trujillo, F., Ochoa, M., Chiriboga, M., Astudillo, F., Heisler, M., & Merajver, S. (2011, June). *Community acceptance and patient use of a mobile phone messaging program to improve post-hospitalization follow-up in Quito, Ecuador: A pilot investigation*. Society for Prevention Research, Washington, DC.

Valsangkar, B., **Maslowsky, J.,** Chung, J., Knoester, J., Trujillo, F., Ochoa, M., Chiriboga, M., Astudillo, F., Heisler, M., & Merajver, S. (2011, June). *Program evaluation of a mobile phone-based intervention to improve patient follow-up after hospital discharge in Quito, Ecuador*. Global Health Council, Washington, DC.

Maslowsky, J., Bush, K.F., Glen, C., Mitsak, A.G., Parikh, S.M., Rheingans, C.A., & Anderson, F. (2010, September). *Transforming student global health initiatives: Developing an interdisciplinary student handbook on global engagement*. Consortium of Universities for Global Health, Seattle, Washington.

Staff, J., Schulenberg, J., **Maslowsky, J.,** Bachman, J.G., O'Malley, P.M., Maggs, J.L., & Johnston, L. D. (2010, August). *Substance use changes and social role transitions*. American Sociological Association, Atlanta, Georgia.

Maslowsky, J., Schulenberg, J., Chiodo, L., Hannigan, J., Greenwald, M., Janisse, J., Sokol, R., & Delaney-Black, V. (2010, June). *Depression and conduct problems mediate the protective relationship of parental support on black adolescents' alcohol use*. Society for Prevention Research, Denver, Colorado.

Maslowsky, J., Buvinger, E., & Keating, D. (2010, April). *Cost/benefit analysis mediation of the relationship between sensation seeking and risk behavior*. Society for Research on Adolescence, Philadelphia, PA.

Maslowsky, J. (2009, May). *Internalizing and externalizing symptoms as predictors of adolescent substance use: The big picture based on national data*. International Max Planck Research School on the Life Course, Zurich, Switzerland.

Monk, C.S., Weng, S., Lee, J., Kurapati, N., **Maslowsky, J.,** Louro, H., Risi, S., & Lord, C. (2008, May). *Amygdala and cortical activation to emotional faces in autism spectrum disorders*. International Meeting for Autism Research, London, United Kingdom.

Maslowsky, J. & Schulenberg, J. (2007, September). *Rates and correlates of Alcohol Use Disorders in middle adulthood: Results from a national panel study*. National Institute on Alcoholism and Alcohol Abuse trainee meeting, Indianapolis, Indiana.

Shook, J., Sarri, R. C., & **Maslowsky, J.** (2005, November). *Trends in the commitment of juveniles to adult prisons: The experience of Michigan's legislative reforms*. American Society of Criminology, Toronto, Ontario, Canada.

Poster Presentations

Maslowsky, J., Keating, D., Banich, M., Cauffman, E., Steinberg, L., & Woolard, J. (2008, March). *Reasoned versus reactive risk taking: Unique contributions of impulsivity and risk assessment to adolescent risk behavior*. Society for Research on Adolescence, Chicago, Illinois.

Maslowsky, J., Schulenberg, J., Kloska, D., & O'Malley, P. (2008, March). *Predictors of alcohol and marijuana use by adolescents reporting high and low depressive affect: Results from a national survey*. Society for Research on Adolescence, Chicago, Illinois.

Maslowsky, J., Schulenberg, J., Merline, A., & O'Malley, P. (2007, June). *Rates and correlates of Alcohol Use Disorders in middle adulthood: Results from a national panel study*. Research Society on Alcoholism, Chicago, Illinois.

Webinars:

Rewarding engaged scholarship in the academy: Strategies and successes. (2021, October). Webinar presented for the Interdisciplinary Association for Population Health Science. **Maslowsky, J.**: organizer and moderator. Panelists: John Saltmarsh, Emily Ozer, Byron White, Adam Gamoran.

Balancing health and economic considerations in COVID-19 responses: Dilemmas and opportunities for population health. (2020, May). Webinar presented for the Interdisciplinary Association for Population Health Science. **Maslowsky, J.**: organizer and moderator. Panelists: Erika Blacksher, Fred Zimmerman, Roland Thorpe.

TEACHING

Instructor of Record:

University of Illinois at Chicago, Department of Community Health Sciences
Maternal and Child Health Inequities and Responses II: Childhood and Adolescence (graduate)

University of Texas at Austin, Department of Kinesiology and Health Education
Social Determinants of Health and Health Disparities (undergraduate)
Theories of Health Promotion and Behavioral Science (undergraduate)
Professional Development Seminar (graduate)
Health Promotion Strategies from the Population to the Individual (graduate)

Graduate Student Instructor:

University of Michigan, Department of Psychology
Multivariate Statistics (graduate)
Statistical Methods- ANOVA and Regression (graduate)
Psychopathology of Childhood and Adolescence (undergraduate)

MENTORING AND ADVISING

Chaired Dissertations, UT Austin:

2021- Joshua Cone, MBA, MPH (co-Chair with D. Castelli)
Dissertation title: *Community-level influences on children's sleep*.

2015-2019 Olusegun Owotomo, MPH, MD, PhD
Dissertation title: *Progression from e-cigarette use to conventional cigarette smoking among adolescents in the United States*.
Post-doctoral placement: Research-intensive Pediatrics residency, Children's National Medical Center, Washington, DC

2015-2017 C. Emily Hendrick, MPH, PhD
 Dissertation title: *Facilitators and long-term outcomes of teen mothers' educational attainment.*
 Post-doctoral placement: Postdoctoral fellowship, Department of Obstetrics and Gynecology, University of Wisconsin- Madison

Dissertation Committee Membership, UT Austin:

2017-2019 Megan Patterson, Department of Psychology
 2017-2019 H. Matthew Lehrer, Department of Kinesiology and Health Education
 2015-2016 Alejandra Fernandez, Department of Kinesiology and Health Education
 2015-2016 Hannah Calvert, Department of Kinesiology and Health Education
 2014-2015 C. J. Stanfill, Department of Kinesiology and Health Education

Master's Thesis Committee Membership, UT Austin

2014-2015 H. Matthew Lehrer, Department of Kinesiology and Health Education

Master's Degree Student Academic Advising, UT Austin

2017-2018 Jessica Cirullo
 2018-2020 Emily Boujemaa

Undergraduate Honors Theses Supervised, UT Austin

2016-2017 Immy Clover Brown (Health Science Scholars), "Delivering prenatal care through telemedicine in rural Latin America: A review."
 2016-2017 Michelle Ghebranius (Health Science Scholars), "An analysis of food-based dietary guidelines for rural Bolivia"

Undergraduate Internships Supervised, UT Austin

2019 Sujana Nelakanti, Austin Asian Community Health Initiative
 2018 Antony Velazquez, Yellow Bike Project
 2018 Matthew Stone, It's Time Texas
 2017 Adrian Landstrom, Boys and Girls Club of Austin

PROFESSIONAL EXPERIENCE

2006-2011 *Executive Director, Director of Strategic Planning*
 The Quito Project, Ann Arbor, Michigan and Quito, Ecuador
 2005 *Clinical Intern (supervised therapist), Child and Family Mental Health*
 Lifespan Clinical Services, Livonia, Michigan

ACADEMIC SERVICE

Grant Reviewer

2022 Society of Family Planning
 2020 National Institutes of Health: Social Sciences and Population Science B (ad hoc reviewer)
 2018 William T. Grant Foundation

Editorial Service

2019-2022 Academic Editor, PLOS ONE
 2017- Consulting Editor, Journal of Research on Adolescence
 2017-2018 Editorial Board Member, International Association for Population Health Science

Reviewer, Journals
