ACADEMIC ADMINISTRATIVE POSITIONS

Master of Healthcare Administration, School of Public Health, University of Illinois Chicago

- 2022-Present **Capstone Director**, Executive MHA Program
Redesigned Executive MHA capstone process to increase student engagement, improve capstone consistency and quality, while accommodating varied practice settings and projects.
Mentor 15-20 Executive MHA students annually, helping them to identify and plan projects aligned with their short to medium-term career goals, provide reliable and detailed feedback and assessment, and, where appropriate, guide students in obtaining organizational sponsorship and mentorship.
- 2021-Present **Student Advisor**, Executive MHA Program
Mentor all Executive MHA students (typically 15-20 per cohort) to support their successful completion of the program and to help them identify and refine short to medium-term career goals.
- 2019-Present **Associate Director**, Residential and Executive MHA Programs
Led relaunch of student recruitment and admissions for the Executive MHA program, resulting in two of the program's largest matriculating cohorts in Fall 2021 and Fall 2022 (18 and 12 respectively).
Developed recruitment strategies for the Executive MHA program, both online (webpage, social media, etc.) and face-to face (interviews with health system leaders, speaker events, one-on-one prospective applicants' interviews, etc.).
Helped to establish a MOU with UIC's Office of the Vice Chancellor for Health Affairs (\$50k in annual tuition subsidies), and an agreement with UI Health, to subsidize rising leaders' enrollment in the Executive MHA program.
Led team of program staff, faculty, and leadership for the program's early CAHME re-accreditation efforts, including adoption of a new program mission, vision, and values and adoption and embedding of a new competency framework (NCHL v3.0) within the program.
- 2014-2022 **Capstone Director**, Residential MHA Program
Developed a new, structured Residential MHA capstone process to increase student engagement, improve capstone consistency and quality, while accommodating varied preceptorship practice settings and projects.
Mentored all MHA student capstones (15-35 annually), while managing the relationship between the program, preceptors, and students throughout the capstone process.
Sponsored and mentored UIC MHA entrants for the 2019 and 2020 Richard J. Stull Student Essay Competitions in Healthcare Management, American College of Healthcare Executives.
Achieved significant improvements in capstone quality, as well as increased student learning and organizational value, with many capstones receiving organizational approval and implementation.
- 2012-Present **Director**, Topics in Healthcare Leadership Speakers Series
Redesigned the MHA speakers series in order to increase student engagement and to help them identify potential career paths, understand different leadership models, and refine professional development goals.
Recruited health care leaders from diverse settings, career tracks and seniority levels, increasing the program's speaker roster significantly, while strengthening the program's regional and national profile.

- 2012-2016 **Member, MHA Program Committee**
 Led successful program response to *CAHME Re-accreditation* Criterion III (Competencies and Curriculum Design, Teaching and Learning Methods, and Assessment and Evaluation).
 Designed and led post *CAHME Re-accreditation* strategic planning process.
 Designed and led annual student-program assessment that drove systemic program innovations around program structure and curriculum.
 Created strategic relationships with UIC's College of Nursing, Health Informatics and Health Information Program, and the College of Medicine, to explore creation of certificate and joint-degree programs.

School of Public Health, University of Illinois Chicago

- 2019-Present **Member, and Chair (2020-2022), Committee on Academic Recruitment and Retention**
 As Chair, led this committee of faculty, students, and deans, to advise School of Public Health leadership on recruitment and admissions, in order to assure the fit, preparation, and diversity of the student body, and the fairness and consistency of admissions processes.
 Led the creation of a school-wide recommendation on the continued use of GRE scores in Master's level admissions processes, based on an analysis of holistic admissions best practices that support matriculant fit, preparation, and diversity.
- 2015-2019 **Representative, Executive Committee and Leadership Council**
 Represented the Health Policy and Administration Division on the two peak bodies that work with the Dean, school leadership, and division and program leadership to drive governance and strategic issues for the School of Public Health.

College of Medicine, University of Illinois Chicago

- 2015-2019 **Grant Co-Lead, HIV/AIDS Inter-Professional Education Project**
 Co-led four-year project funded by a \$11.4 million Health Resources and Services Administration grant, Midwest Aids Education and Training Center, UIC
 Created a regional HIV Inter-Professional Education (IPE) collaborative among the University of Illinois Chicago, Indiana University, University of Minnesota, University of Cincinnati, University of Nebraska, and University of Wisconsin.
 Developed, implemented, and evaluated inter-professional team-based IPE HIV/AIDS certification programs for health professions' students on all six campuses, to help prepare a workforce which is ready and able to optimize care and outcomes for persons living with HIV/AIDS.
- 2016-2018 **Theme Lead, Inter-Professional Education Curriculum Transformation**
 Led the development of Inter-Professional Education curriculum as part of the Health Systems Science (HSS) team of faculty and deans, charged with embedding HSS content across the M1-M4 curriculum.

Office of the Vice Chancellor for Health Affairs, University of Illinois Chicago

- 2019-Present **Head Coach, UIC Clarion Interprofessional Case Competition Student Team**
 Coach and mentor teams of interprofessional UIC students to compete in the national Clarion Case Competition, an annual interprofessional case competition, including UIC's inaugural team, which took first place in 2019.
- 2014-Present **Chair, Interprofessional Practice and Education Curriculum Workgroup**
 Lead team of senior UIC leaders, faculty, and instructional designers to design, build, and deliver foundational IPE curriculum for UIC's 5,500 plus health science students (13 professions, 7 health sciences colleges, and 5 campuses).
 Developed *Foundations of Interprofessional Collaborative Practice*, a hybrid online Course, that enrolls over 1,400 students, and 100 faculty, staff, and advanced student facilitators annually, and that was originally developed in partnership with the Shirley Ryan AbilityLab.
 Led curriculum design and managed UIC IPE faculty team for IPE track in the American Medical Student Association's 2015 National Fall Conference.

2012-Present **School of Public Health Representative**, UIC Interprofessional Practice and Education Steering Committee
 The steering committee manages governance and strategic direction of interprofessional practice and education for UIC's 7 health sciences colleges, 6 campuses, and UI Health (UIC's health system.) Five workgroups (including the Interprofessional Practice and Education Curriculum Workgroup) report up to the steering committee. The Steering Committee reports up to the Vice Chancellor for Health Affairs.

Institute for Healthcare Improvement Open School Student Chapter, University of Illinois Chicago

2015-2020 **Faculty Advisor**
 Co-led, in collaboration with College of Nursing leadership, the re-birth of chapter to support extra-curricular inter-professional student education and collaboration. Created student leadership structure and mentored student leaders (i.e. Helped student leadership develop by-laws, governance, and membership structures). Coached student leadership in developing recruitment strategy (chapter grew to over 50 members with a listserv of over 200 students in first year). Organized multiple high profile speaker events and panels to support educational programming, sustain chapter growth, and raise visibility with UIC health science leadership.

Labor Relations and Research Center, University of Massachusetts at Amherst, Amherst, MA

1997-2002 **Director**, Departmental Speakers Program
 Developed speaker themes and recruited speakers.

Member, Departmental Ad Hoc Committees
 Developed program strategic planning, curriculum development, student recruitment, and faculty hiring.

2001 **Director**, Union Leadership and Administration Program
 Managed the hybrid, limited residency program during the full-time Directors sabbatical.
