

# 2024 SPH Research and Scholarship Week Poster Competition Student Handbook

Thank you for your submission to the annual SPH Poster Competition. Please use this handbook as a guide to navigate various features of our virtual Poster Competition. Below is a summary of the competition process followed by detailed instructions for each activity. We appreciate your time and efforts!

## **Poster Competition Process**

- 1. The poster competition will be hosted by Fourwaves and registration is required prior to submitting your abstracts and posters. Registration is free.\*
- 2. Posters and abstracts can be viewed on the Poster Competition Fourwaves event webpage.\*
- Judges will evaluate posters and leave any questions or comments that they may have between April 1<sup>st</sup> April 3<sup>rd</sup>.
- You are responsible for checking your own posters for questions and comments, and you will have until **5pm CST on Thursday, April 4<sup>th</sup>** to respond. You are not required to respond but are highly recommended to do so.\*
- 5. Judges will check responses and submit poster scores through Fourwaves. The sample evaluation form on <u>pages 16-18</u> of this handbook do NOT need to be filled out by students but should serve as a reference for how your posters will be judged.
- 6. Scores will be averaged to determine award recipients and awardees will be announced after judge scores are received.

If you have any questions or concerns, please contact <u>sph-research@uic.edu</u>.

\*Step-by-step instructions are available below.

# **Summary of Steps**

Abstract and Poster Submission Form

## Welcome to our annual Poster Competition!

The purpose of this annual event, at its core, is to bring us together as a community to recognize and support the superb public health research that takes place in the school - across all levels. Students are encouraged to present posters highlighting their research and scholarly work. Posters will be displayed in an online showcase, and judges will review posters and interact with students remotely. Judges are welcome from the SPH community of faculty, staff, doctoral students, and alumni, as well as our community and practice partners. This event is an excellent opportunity for students and public health professionals to connect around current public health issues.
